Total Selected Applicants: 37

The selection process for this program is conducted through a rigorous review based on a comprehensive evaluation of all application documents. Please be advised that we are strictly unable to respond to any individual inquiries regarding selection criteria, results, or evaluation details, regardless of the reason. We kindly ask for your understanding in advance.

*About the additional selection

In the event that any successful applicant or supported student withdraws or is subject to cancellation of accreditation, the runner-up from this round of unsuccessful applicants may be moved up as the candidate for the support. Eligible students will be notified by the office via e-mail or telephone. The period of support for students who are selected for this additional selection will begin on the date of the decision to provide support and end on the date of the original scheduled end of support for the supported student who declined or withdrew, etc.

———— If you are a successful applicant, please make sure to read the following statement. ————

First, congratulations!
Please take care of the following two items:

1. Response of acceptance by **Tuesday, December 1, 11:00 a.m. (JST)**

All successful applicants must respond.
Even if you withdraw from the application, your response is still required, so please be sure to respond by the deadline.
If you do not respond by the deadline, in principle, we will consider your application as withdrawn.
Acceptance Confirmation Form:
https://www.spring-boost.i.isct.ac.jp/acceptance-confirmation-form/

2. Sharing with relevant parties

Please be sure to inform your academic supervisor who will be Budget Execution Manager.
If you are being treated as a dependent by a person who is obligated to support you (such as a parent) for health insurance, support allowance, etc., in principle, you need to be removed as a dependent. Please be sure to contact the person who is obligated to support you.

Details regarding the start date of research incentive payments, the start date for the use of research funds, the orientation, and the Guidelines for Supported Students will be sent in a separate email on or after December 4, 2026.

If you have any questions about the above, please contact us using the inquiry form on our website. In principle, we do not accept phone calls or e-mails.

Thank you.
